Circular agrifood

Why join Foodvalley?

Gain expert knowledge, funding opportunities, and a powerful global network. All designed to fast-track your growth. Collaborate in a trusted, independent ecosystem with industry pioneers, from startups to multinationals. Get the support you need to scale innovations and stay ahead in building a sustainable, fairer food system.

Partnership types

Foodvalley offers two types of partnerships: Network Partner and Community Partner. As a Community Partner, you automatically gain access to all the benefits of a Network Partner, along with additional exclusive advantages. Explore the benefits of both partnerships on the following page and discover which one best suits your goals.

Network Partner

Standard Partnership

Innovation Insights

Stay updated on key developments and trends in the agrifood sector.

Inspiring partner-only events

Meet 400+ Foodvalley partners in exclusive settings and grow your network.

Spark collaborations

Connect with like-minded organizations to drive impactful change.

Stay connected

Receive Foodvalley newsletters and access to online Foodleap community.

Showcase your partnership

Highlight your exclusive partnerships via events and online channels.

Community Partner

Additional Partnership

Access to Innovation Insights & solutions

Stay up-to-date with the latest developments in your area of innovation.

Connections with likeminded professionals

Match making for trusted partnerships in & beyond your sector.

Co-create sustainable, healthier & affordable food solutions

Participate in opportunities for new partnerships & collaborations.

Practical initiatives from the community

Get involved in hands-on actions and pilot projects driven by the community.

Knowledge sharing & learning

Exchange expertise and learn from others within your thematic community.

Interested in becoming a community partner?

Join one of our communities: The Healthier Food Community, The Regenerative Agriculture Community, The Protein Community and/or The Upcycling Community.
